Introduction

1. This form should be used to notify the Registrar of Companies (the Registrar) of the details of (i) cancellation of treasury shares of a listed company under section 272D(a) of the Companies Ordinance; and (ii) the treasury shares held by a listed company which are regarded as cancelled under section 272B(2) of the Companies Ordinance if the listed company is delisted. The company should deliver this form to the Registrar for registration within 15 days after the date on which the treasury shares are cancelled (whether or not the company is subsequently delisted) or regarded as cancelled.
2. Please fill in all particulars and complete all items consistently in either Chinese or English. Traditional Chinese characters should be used if the form is completed in Chinese. Please note that handwritten forms may be rejected by the Companies Registry.
3. Please complete the Presenter's Reference. Unless the presenter needs to raise a specific issue for the attention of the Companies Registry, no covering letter is required.
4. This form can be delivered by post or in person to "The Companies Registry, 14th floor, Queensway Government Offices, 66 Queensway, Hong Kong". If the form is delivered by post but the Registrar has not received it, the form will not be regarded as having been delivered to the Registrar in satisfaction of the relevant provision of the Companies Ordinance.

Signature

5. This form must be signed by a director or the company secretary of the listed company. A form which is not properly signed will be rejected by the Companies Registry.

Business Registration Number

6. Please provide the business registration number (i.e. the first 8 digits of the Business Registration Certificate number) issued by the Business Registration Office of the Inland Revenue Department. The numbers after [-] are not required. For companies incorporated on or after 27 December 2023 or re-domiciled companies, the business registration number is also adopted as the "No." on the "Certificate of Incorporation" or "Certificate of Re-domiciliation" issued by the Companies Registry respectively.

Statement of Capital (Section 3)

7. Where the form is used for reporting the particulars of treasury shares cancelled, or regarded as cancelled, on different dates, the Statement of Capital should reflect the share capital of the company as at the time immediately after the last date reported in the form on which the treasury shares are cancelled or regarded as cancelled.
8. Where treasury shares were cancelled, or regarded as cancelled, the "Total Amount", "Total Amount Paid up or Regarded as Paid up" and "Total Amount Unpaid or Regarded as Unpaid" in the "Issued Shares" should remain unchanged while the "Total Number of Issued Shares" should be reduced by the total number of treasury shares cancelled or regarded as cancelled.

Particulars of Rights Attached to Shares (Section 3B)

9. If the share capital of the company is divided into different classes of shares, please state for each class of shares —
 - (a) the particulars of any voting rights attached to shares in that class, including rights that arise only in certain circumstances;
 - (b) the particulars of any rights attached to shares in that class, as respects dividends, to participate in a distribution;
